EDUCATION

SEPT 2019 < SEPT 2009

MSc Civil Engineering @ University of Porto
Urban Planning and Mobility branch

Conceive, design and manage systems, structures and civil engineering works with an ethical, sustainable approach.
Chosen branch with a focus on Urban Planning, Urban Environment, Mobility Planning and Management and Transport Networks.

ERASMUS+ Traineeship @ Chalmers Univeristy of Technology
Evaluating participatory and co-design processes

The purpose of this research is to create a tool for measuring the impact of projects with a participatory and co-design focus and implement it to studios carried out by Chalmers students.

ERASMUS+ Studies @ University of Ljubljana
One Semester Exchange

JULY 2015 < SEPT 2014

Premier Cycle @ INSA Lyon
One year in a french école d'ingénieur

JULY 2014

Leadership Summer School @ Yeditepe University
Zero Generation

Global, annual, intensive training event for inspirational youth leaders. During 10 days, the project fosters skills of motivated participants from all over Europe and beyond, engaged in international organisations, and supports them on their path of becoming future leaders and active citizens.

JULY 2012

Lightweight structures @ Vrije Universiteit Brussel
BEST Summer Course

Course of two weeks about transformable lightweight structures: textile architecture, shell shapes and deployable meccano.

PROJECTS

2018 — DRT Feasibility Study in a Rural Area
Transport Networks subject project @ University of Porto

2018 — Flux Study of Metro do Porto
Mobility Planning and Management subject project @ University of Porto

2017 — Planning and design of a residential neighbourhood
Urban Planning subject project @ University of Ljubljana

2012 — Impact assessment of a new metro line
Social and Environmental Impacts subject project @ University of Porto

EXTRACURRICULAR

NOW < FEBR 2018

Soft-skills trainer @ Board of European Students of Technology

Around 80 hours of experience in designing and delivering training sessions on soft skills such as Leadership, Project Management, Strategic Planning, Team Dynamics, Effective Meetings, Facilitation, etc.

FEBR 2018 < JULY 2017

Dpt Coordinator @ Board of European Students of Technology

Coordinated an international department that provides support to Observer and Local BEST groups for them to become and/or remain sustainable.
